**This summary section contains highlights only. Out-of-network services are not covered under these plans. Eligible out-of-network emergency services are covered at the in-network benefit level as defined in plan documents. Full benefit information, including plan benefit exclusions and limitations, are available here: <https://www.cigna.com/individuals-families/policy>. Native Americans and Alaska Natives may qualify for tax credits and special cost-sharing reductions if specific requirements are met. If qualified Native American/Alaska Natives will pay \$0/0% deductible for all eligible plans.**

1. Annual Deductible (Individual/family deductible is satisfied when each member has reached their annual individual deductible or when the total annual family deductible amount has been reached by any combination of family members, includes medical and pharmacy).

2. Coinsurance (Amount you pay for covered medical services).

3. Annual Out-of-Pocket Maximum (Individual/family copays, deductibles, coinsurance and pharmacy charges apply to the out-of-pocket maximum).

4. Plans may vary. Includes eligible in-network preventive care services. Some preventive care services may not be covered, including most immunizations for travel. Reference plan documents for a list of covered and non-covered preventive care services.

5. Cigna provides access to Dedicated virtual care through a national telehealth provider, MDLive located on myCigna, as part of your health plan. Providers are solely responsible for any treatment provided to their patients. Video chat may not be available in all areas or with all providers. This service is separate from your health plan's network and may not be available in all areas. **\$0 virtual care benefit for minor acute medical care not available for all plans. HSA plans and non-minor acute medical care may apply a copay, coinsurance or deductible. Virtual care does not guarantee that a prescription will be written.** Refer to plan documents for complete description of virtual care services and costs, including other telehealth/telemedicine benefits. For IL customers a primary care provider referral may be required for specialist virtual visits.

All IFP plans subscribers have access to the following Virtual Care benefits:
