I hereby authorize The Cigna Group (my Cigna Medicare Prescription Drug Plan sponsor) to charge from my credit card listed above my monthly Cigna premium amount due, and if applicable any late enrollment penalty amount due, but no more than the total of two (2) month's premium in any given month. In the event my monthly premium is lower than the expected monthly premium due to overpayments or adjustments, I authorize The Cigna Group to automatically deduct my credit card for the lower amount due. I understand this automatic deduction must go through my credit card approval process. Once approved, this deduction will occur once per month and will continue as long as I am enrolled in the Cigna plan or until I select another payment method. I understand this authorization will remain in effect regardless if my annual premium changes at any time during my enrollment unless I verbally or in writing revoke this authorization. If the monthly premium amount changes, I will be notified in writing prior to any changes in the amount deducted from my credit card.
