La red de farmacias y/o la red de proveedores pueden cambiar en cualquier momento. Recibirá una notificación cuando sea necesario.

Estas listas pueden incluir enfermeras practicantes (NP, por sus siglas en inglés) y asistentes médicos (PA, por sus siglas en inglés) participantes que ofrecen servicios de cuidado primario. Tenga en cuenta que, si bien puede atenderse con estos proveedores, en este momento Cigna Healthcare no permite que las NP o los PA sean designados como su proveedor de cuidado primario (PCP). Si usa una NP o un PA como principal fuente de consulta, debe elegir a un médico participante del mismo grupo médico para que sea su PCP.

Cigna Healthcare está actualizando su directorio para incluir más NP y PA participantes. Si su proveedor no aparece, puede comunicarse con él o con Servicio al Cliente de Cigna Healthcare al 1-888-281-7867 (TTY 711) para validar su participación en su plan de Cigna Healthcare.

# Sección I – Introducción

## Proveedores de la red

Este directorio proporciona una lista de proveedores de la red de su plan. Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su Evidencia de cobertura (EOC, por sus siglas en inglés).

Cigna Healthcare tiene el compromiso de construir una red confiable de proveedores de cuidado de la salud. Los médicos, hospitales, centros y otros proveedores que contratamos deben cumplir determinados requisitos de acreditación. También deben aceptar nuestras tarifas de facturación. Esto ayuda a que nos aseguremos de que usted tenga acceso a servicios de calidad y con una buena relación costo-beneficio para el cuidado de su salud. Para construir nuestra red, nos fijamos cuántos médicos de cuidado primario y especialistas hay en un área en particular. También nos fijamos qué hospitales, laboratorios y otros centros hay en esa área. Nuestra meta es construir una red que le dé opciones y un acceso cómodo a tratamiento y servicios. Las redes de proveedores varían según el estado y el plan, e incluyen médicos, hospitales y centros de cuidado de la salud en el área donde usted vive.

Para los clientes del plan Medicare Advantage PPO de Cigna Healthcare, les recomendamos que elijan un proveedor de cuidado primario (PCP) de nuestra red, pero no es obligatorio. En general, un PCP es un médico que está capacitado para brindar atención médica general. Su PCP también podrá coordinar el resto de los servicios cubiertos que usted necesite. Usted tiene la opción de elegir médicos y beneficios dentro y fuera de la red; no se necesitan referencias.

Los proveedores de la red incluidos en este directorio han aceptado brindarle servicios de cuidado de la salud, cuidado de la vista y/o dentales, según corresponda.

Si su plan incluye un beneficio dental de Cigna Dental (HMO), debe consultar a un dentista o especialista contratado de Cigna Dental Care (DHMO) para tener cobertura. Todos los servicios que se mencionan en la Tabla de cargos para el paciente están cubiertos, y usted es responsable de pagar la cantidad del copago que se indica. Llame al consultorio dental para confirmar que sigan atendiendo y acepten clientes nuevos de Cigna Dental (HMO) antes de programar una cita.

Si su plan incluye un beneficio dental de Cigna Dental Allowance, los diseños de los planes y las cantidades del coseguro variarán según el producto y el estado. Los servicios están cubiertos hasta la cantidad específica de su asignación máxima anual. Algunos planes le permiten consultar a cualquier dentista con licencia que no esté excluido de Medicare para su tratamiento. Si consulta a un dentista contratado de Cigna Dental Allowance (DPPO), puede aprovechar los descuentos negociados del plan. Si su plan no cubre los servicios fuera de la red, debe usar un proveedor de la red de Cigna Dental Allowance (DPPO); de lo contrario, esos servicios no estarán cubiertos. Y hay algunos planes que le brindan cobertura del 50%, por eso si usa un proveedor fuera de la red, su asignación solo paga la mitad de los servicios cubiertos. Consulte su Evidencia de cobertura (EOC) para determinar su cobertura. Llame al consultorio dental para confirmar que siga participando en la red de Cigna Dental Allowance (DPPO) antes de programar una cita.

Para cuidado de la salud, puede dirigirse a cualquiera de los proveedores de nuestra red incluidos en este directorio. En algunos casos, puede recibir servicios cubiertos de proveedores no pertenecientes a la red.

## Proveedores fuera de la red

Mientras sea cliente de nuestro plan, podrá consultar proveedores fuera de la red que participen en Medicare y acepten el plan. Un proveedor fuera de la red es un médico u otro profesional de cuidado de la salud que no tiene un contrato con Cigna. Aceptar el plan significa que el médico está dispuesto a brindarle tratamiento y facturar a Cigna. En situaciones que no constituyan una emergencia, informe a los proveedores fuera de la red que usted es cliente de Medicare Advantage de Cigna Healthcare antes de la visita para asegurarse de que le atiendan. Consulte su Evidencia de cobertura para conocer detalles. Nuestro pago por servicios fuera de la red se basa en la Cantidad permitida por Medicare o el Cargo tope de Medicare (si corresponde). **A diferencia de otros planes PPO, con nuestro plan, usted paga el mismo costo compartido dentro de la red y fuera de la red.** Los proveedores fuera de la red/no contratados no tienen ninguna obligación de atender a nuestros clientes, salvo en situaciones de emergencia. Para saber si cubriremos un servicio fuera de la red, les recomendamos a usted o a su proveedor que, antes de recibir el servicio en cuestión, nos pidan una determinación de la organización previa al servicio. Llame a nuestro número de Servicio al Cliente o consulte su Evidencia de cobertura para obtener más información, incluso para conocer el costo compartido que se aplica a los servicios fuera de la red.

## Relaciones dentro de nuestra red de proveedores

Medicare Advantage de Cigna Healthcare tiene diferentes tipos de relaciones con los proveedores. Es posible que tengamos contratos con médicos independientes, Asociaciones de Médicos Independientes, sistema de Prestación Organizada de Médicos y proveedores que atienden en clínicas de su área. Los siguientes párrafos describen la relación que tienen estos proveedores con nosotros.

- **Asociaciones de Médicos Independientes (IPA)**

Las Asociaciones de Médicos Independientes (IPA, por sus siglas en inglés) comprenden médicos de cuidado primario y especialistas ubicados en su área y en los alrededores. Si usted elige un PCP que pertenece a una IPA, debe saber que su PCP le referirá a especialistas y hospitales afiliados a la misma IPA con quienes trabaja en estrecha colaboración para coordinar su cuidado. Recibirá toda su atención, incluida la atención ginecológica y especializada, de médicos pertenecientes a la misma IPA. Se puede acceder a atención ginecológica a través de cualquier ginecólogo de la red.

Su IPA está diseñada para brindarle un equipo de médicos de cuidado primario y especialistas que puedan manejar sus necesidades para el cuidado de su salud. Sin embargo, si su condición médica alguna vez exigiera solicitar atención fuera de la IPA, su médico de cuidado primario seguirá brindándole asistencia para la coordinación de las autorizaciones previas o referencias necesarias para los servicios fuera de la IPA.

- Un sistema de **Prestación Organizada de Médicos (POD, por sus siglas en inglés)** representa una red de médicos con patrones de referencia similares, organizados para administrar servicios de cuidado de la salud a los clientes del plan. Si usted elige un PCP que pertenece a una POD, debe saber que su PCP le referirá a especialistas afiliados a la misma POD con quienes trabaja en estrecha colaboración para coordinar su cuidado. Sin embargo, su PCP puede referirle a cualquier otro médico de la red fuera de la POD, y su PCP seguirá brindándole asistencia para la coordinación de los servicios necesarios fuera de la POD.

- **Médicos independientes**

Los médicos independientes son médicos de cuidado primario y especialistas que atienden en su área y en los alrededores que no forman parte de una Asociación de Médicos Independientes (IPA) o un sistema de Prestación Organizada de Médicos (POD). Si usted elige un PCP independiente, debe saber que su PCP le referirá a especialistas y hospitales con los que esté afiliado y con los cuales trabaja en estrecha colaboración para coordinar su cuidado. Confirme si el médico u hospital referido es un proveedor de la red de su plan. Recibirá toda su atención, incluida la atención ginecológica y especializada, de médicos afiliados a su PCP. Puede acceder a atención ginecológica a través de cualquier ginecólogo independiente.

### **Si recibe una factura**

Puede haber ocasiones en que reciba una factura de un proveedor por el costo total de la atención médica que recibió. En muchos casos, debe comunicarse con Servicio al Cliente o enviarnos esta factura en lugar de pagarla. Nosotros analizaremos la factura y decidiremos si los servicios se deben cubrir. Si decidimos que se deben cubrir, le pagaremos directamente al proveedor. (Tenga en cuenta que no podemos pagarle a un proveedor que ha optado por quedar excluido del programa Medicare. Consulte a su proveedor antes de recibir servicios para confirmar que no haya optado por quedar excluido de Medicare). Si determinamos que los servicios no están cubiertos o que no eran médicamente necesarios, es posible que deneguemos la cobertura, y usted será responsable del costo total.

### **Atención de emergencia y cuidado de urgencia**

Usted puede recibir atención médica de emergencia cuando la necesite, en cualquier lugar de los Estados Unidos o de sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que llegar a la sala de emergencias de otra forma podría poner en peligro su salud. Consulte su Evidencia de cobertura para conocer detalles. Usted también puede recibir atención médica de emergencia cubierta cuando la necesite en cualquier lugar del mundo. Si tiene una emergencia, hablaremos con los médicos que le están brindando la atención de emergencia para ayudar con la administración y el seguimiento de su atención. Los médicos que le estén brindando atención de emergencia determinarán cuándo su condición está estable y ha finalizado la emergencia médica. Una vez finalizada la emergencia, usted tiene derecho a recibir atención de seguimiento para asegurarse de que su condición se mantenga estable. Nuestro plan cubrirá su atención de seguimiento. Si la atención de emergencia es proporcionada por proveedores fuera de la red, intentaremos coordinar que proveedores de la red se hagan cargo de su atención tan pronto como su situación médica y las circunstancias lo permitan.

Si recibe atención de rutina de proveedores no pertenecientes a la red, tendrá que pagar el costo compartido fuera de la red, a excepción de la atención de emergencia y el cuidado de urgencia fuera de la red. Consulte su *Evidencia de cobertura* para obtener más información.

### **Servicios de telesalud**

Cuando necesite atención médica de urgencia en situaciones que no sean de emergencia y su proveedor de cuidado de la salud no esté disponible, comuníquese con un proveedor de telesalud de MDLIVE. Estos proveedores siempre están disponibles para ayudar, a través de un teléfono inteligente, una computadora o una tableta. Y puede hablar con ellos sobre muchos problemas de salud, como alergias, resfrío, dolor de cabeza, dolor de garganta y otras enfermedades leves. MDLIVE también

ofrece otros servicios de telesalud, como atención virtual para dermatología o para la salud mental. Para obtener más información sobre este beneficio, llame a MDLIVE al **1-866-918-7836** (TTY 711) o visite **MDLive.com/CignaMedicare**.

### **Servicios de salud del comportamiento**

Los servicios de salud del comportamiento para beneficiarios, incluidos los servicios de salud mental y abuso de sustancias, están cubiertos por su plan. Los clientes y proveedores pueden acceder a los servicios de salud del comportamiento llamando al **1-888-281-7867** (TTY 711) para recibir asistencia para encontrar un profesional de cuidado de la salud del comportamiento o para coordinar la autorización para una admisión como paciente internado.

### **¿Cuál es el área de servicio para su plan?**

Nuestra área de servicio incluye:

- **Maryland y Washington D.C.**

Con los planes Medicare Advantage PPO de Cigna Healthcare, nuestra red de proveedores cubre su atención de rutina fuera del lugar donde vive. Usted puede viajar y atenderse por las tarifas de la red en determinados condados. Se aplican las tarifas estándar de la red. ### **¿Cómo puede encontrar proveedores del plan que presten servicios en su área?**

Se recomienda a los clientes del plan Medicare Advantage PPO de Cigna Healthcare que elijan un PCP de nuestra red, pero no es obligatorio. En general, un PCP es un médico que está capacitado para brindar atención médica general.

Para elegir un PCP del Directorio de proveedores, consulte la sección Proveedores de cuidado primario para ver un listado de los proveedores en su área. También puede llamar a Servicio al Cliente al **1-888-281-7867** (TTY 711) para asistencia o visita **CignaMedicare.com/group/MAresources**. Cuando usted elija un PCP, encontrará un espacio en su Solicitud de inscripción donde podrá ingresar el nombre del PCP. Si elige un PCP después de presentada su Solicitud de inscripción, llame a Servicio al Cliente e infórmeles acerca de la elección de su PCP. Si quiere cambiar por otro PCP, podrá hacerlo en cualquier momento llamando a Servicio al Cliente.

Para elegir un especialista, hospital, farmacia u otro proveedor, consulte la sección correspondiente del Directorio de proveedores para ver un listado de los proveedores de su área. Por ejemplo, para encontrar hospitales en su área, consulte la sección Hospitales del directorio.

### Introducción

Cuando este directorio de farmacias hace referencia a “nosotros”, “nos” o “nuestro”, significa Medicare Advantage de Cigna Healthcare. Cuando hace referencia al “plan” o a “nuestro plan”, significa Cigna True Choice Medicare (PPO), Cigna Rx Medicare (PDP).

Este directorio proporciona una lista de farmacias de la red de su plan. Para obtener una descripción completa de su cobertura de medicamentos con receta e información sobre cómo despachar sus recetas, consulte la Evidencia de cobertura y el Formulario de su plan.

Llamamos a las farmacias de esta lista “farmacias de la red” porque firmamos convenios con ellas para que proporcionen medicamentos con receta a los clientes del plan. En la mayoría de los casos, sus medicamentos con receta están cubiertos por su plan únicamente si se despachan en una farmacia de la red o a través de nuestro servicio de farmacia de pedido por correo. Una vez que vaya a una farmacia, no es necesario que siga yendo a la misma farmacia para que le despachen sus medicamentos con receta, sino que puede cambiar por cualquier otra farmacia de nuestra red. Le despacharemos los medicamentos con receta en farmacias no pertenecientes a la red en determinadas circunstancias, tal como se describe en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista desde la fecha de impresión de este directorio. Esto significa que es posible que algunas farmacias que aparecen en esta lista ya no pertenezcan a nuestra red o que haya farmacias más nuevas en nuestra red que no estén en la lista. Esta lista está actualizada a de junio de 2024. Para consultar la lista más actualizada, llame a Servicio al Cliente al **1-888-281-7867** (TTY 711).

Puede ir a todas las farmacias incluidas en esta lista, pero sus costos para algunos medicamentos pueden llegar a ser más bajos en las farmacias de esta lista que ofrecen opciones preferidas de costo compartido. Hemos marcado estas farmacias con un recuadro gris para distinguirlas de otras farmacias de nuestra red, que ofrecen opciones estándar de costo compartido. Si usted es cliente de nuestros planes Medicare Advantage Primary HMO de Cigna o Medicare Advantage TotalCare HMO de Cigna, su costo compartido es el mismo en una farmacia de la red estándar que en una farmacia de la red preferida.

Puede pedir que los medicamentos con receta se le envíen a su hogar a través del programa de entrega mediante pedido por correo de nuestra red. Por lo general, debería recibir sus medicamentos con receta dentro de los 14 días siguientes al momento en que la farmacia de pedido por correo reciba el pedido y su forma de pago. Si no recibe su(s) medicamento(s) con receta dentro de este plazo, avísenos. Para obtener más información, comuníquese con nosotros o consulte la sección sobre pedidos por correo de este Directorio de farmacias.

Este directorio es para **Maryland** y **Washington D.C.**, que incluye el área donde usted vive. Sin embargo, cubrimos un área de servicio más grande, y hay más farmacias en las que es posible que nuestro plan cubra sus medicamentos con receta. Para obtener información sobre más farmacias de la red de nuestro plan no incluidas en este directorio, llame a Servicio al Cliente al **1-888-281-7867** (TTY 711).

Si tiene alguna pregunta sobre alguno de los temas mencionados, en la contraportada de este directorio encontrará información sobre cómo ponerse en contacto con nosotros.
